

OUR PROFILE

EDMI is a global leader in the provision of smart metering solutions. We are committed to delivering high quality and reliable products and services globally and dedicated to offering end-to-end smart metering solutions to assist our customers in overcoming the obstacles faced in the digital transformation in the energy industry.

Headquartered in Singapore, EDMI has been at the forefront of the industry for more than 40 years. EDMI is owned by Osaki Electric Co., Ltd, a leading Japanese metering solutions provider.
